SOLIDARY FINANCING PRINCIPLE AT METROPA

Due to our numerous projects (participation in congresses, lobby work, actions) we depend on financial support from our members. This is collected monthly from your account by direct debit.

METROPA is for everyone. Just as a Europe-wide rapid transit network should be available for all. And this independent of available financial means.

That's why METROPA is based on a solidarity-based financing principle. How does this work? There are no fixed membership fees. You can choose your membership fee based on your current financial means.

For your orientation:

- **Students/pupils: 4 €**
- **Low income or low in walth: 8 €**
- **High income or high in wealth: 10 € - 40 €**

Of course, you don't have to stick to these guidelines. Just choose an amount that feels right for you. You can also become a non-material member and support us in other ways. You can find ideas for this on our website. Just enter 0€ in the corresponding field.

Do you have questions regarding the membership fee or the application in general?
Feel free to write us an email to hello@metropa.eu.

My monthly membership fee in the amount of €
can be debited from my account by METROPA by direct debit with my hereby declared consent.
